

# ExecuTrain Cordially Invites you To our **Green Belt/Black Belt Certification** **Open-House**

**When:** February 2, 2012    **Time:** 6:30pm – 8:30pm

**Where:** ExecuTrain of Puerto Rico

## Lean Six Sigma

**Your Next Step to become  
a Certified Professional**

Join us for this seminar and you'll learn about two leading continuous improvement strategies currently being practiced : Lean and Six Sigma. Lean focuses on improving a process by reducing waste, and Six Sigma typically uses statistical mathematical models to improve efficiency, customer satisfaction, and the bottom line by reducing variation. Come and learn about steps to become a Green Belt and/or Black Belt Certified Professional.

If you are a Professional looking to improve your company process efficiency, customer satisfaction, quality controls and assurance methods this seminar is for you.
